# 7<sup>th</sup> Annual Southern Hot Wing Contest and Festival

## 2008 SPONSORS

Benefiting the **Ronald McDonald House of Memphis**

February 2, 2009

Dear Sponsors, Contributors, Teams, and Volunteers,

All of us at The Southern Hot Wing Contest and Festival would like to Thank You for your generosity that made the 6<sup>th</sup> Annual Hotwing Contest and Festival a huge success. The new venue for the event last year was held on South Main in the Arts District. Eight fabulous bands and 17 teams along with your contributions and our fantastic volunteers are making a difference.

The Ronald McDonald House of Memphis houses families of children stricken with cancer. Every night, an average of 250 families are in Memphis while their children receive treatment at St. Jude. RMH provides a home-like, comfortable and safe place for children and their families to live while they are in Memphis. There is no charge for families staying at the RMH. Since opening in 1991, the House has served more than 4,600 families from around the world. The RMH depends solely on individuals, businesses, clubs, and organizations in the community for financial support, donations of household items, services and volunteer time.

With the endorsement of the South Main Association, Center City Commission, Downtown Neighborhood Association, and the Memphis Farmers Market, the 7<sup>th</sup> Annual Southern Hotwing Contest and Festival will take place again on South Main in the Arts District, Saturday the 18<sup>th</sup> of April from 10:00AM-7:00PM.

We certainly appreciate your involvement and hope you will make a contribution and join us for another great time. As Henry Hotwing say's "Ain't Nothin' like a good hotwing".

Sincerely Yours,

Paul J. Gagliano  
 Chairman/Founder  
 Southern Hot Wing Contest and Festival
